

MGA

Academic Program - Course Schedule and Learning Outcomes

Health Services

Campus: Cochran

College/School: School of Business

Department: Administration

Academic Degree: Bachelor

Major: Sports Management

Track (if applicable):

What are the Program Learning Outcomes?

A learning outcome is a description of the knowledge, skills and abilities you will gain as you complete your coursework.

1. **Students will gain an overall understanding of the sport industry in the areas of health promotion and education, legal, marketing, facilities, operations, and financial.**

2. **Students will understand the primary concepts impacting the sport industry in legal aspects related to current laws and regulations which impact sport as related to all levels from youth and amateur sports to professional sports.**

3. **Students will gain an understanding of the promotional aspects of health and sport to be able to understand the ways by which businesses provide educational experiences as well as recreational experiences through the business of sport.**

4. **Students will be provided guidance in the development of resume, online social presence, and other areas which employers will review in consideration of hiring in the sport industry.**

5. **Students will gain hands-on experience through the internship process on-campus or off-campus, based on their professional goals, in order to gain a better understanding of the business of sport**
