5.04.05 ATTENDANCE POLICY

Faculty members are expected to maintain an attendance record for all of their classes.

The Middle Georgia State University Student Catalog states that, "Students whose number of absences is more than twice the number of class meetings per week may be assigned a failing grade for the course at the discretion of the instructor. Students who have more absences than the number of class meetings per week, but less than twice the number of class meetings per week may be penalized at the discretion of the instructor. Students who have absences which are less than or equal to the number of class meetings per week will not be penalized".

I am requesting this student be withdrawn from my class due to excessive absences.
