Administrative/Biographical Data

Instruction began in the Dublin Residence Center (later the Dublin Center) in 1983. The permanent location, the Laurens Memorial Hospital building, was acquired in 1985 by the University System of Georgia Board of Regents, with Middle Georgia College noted as Agent of Record. Renovations occurred in 2000, 2002, and 2023.

Scope and Content

The Dublin Center Archive Collection contains building designs, course syllabi, course listings, school brochures, school newsletters, newspaper articles, renovation plans, black and white photographs, color photographs, and color slides that document the founding, dedication, expansion and other notable events in the history of the Dublin Residence Center. 1984-present.
