GRADUATE STUDIES
CHANGE/ADD CONCENTRATION FORM

The first step in adding or changing a concentration is to meet with the graduate program advisor in order to determine the appropriateness of the concentration and your eligibility for the concentration. Please note:

- Concentrations can only be added or changed if you are accepted into the related Program of Study
• Adding/Changing concentrations could delay graduation (Consult graduate program advisor)
• Adding/Changing concentrations could affect your financial aid award (Consult Office of Financial Aid)

Directions: (This form is designed to be completed electronically and submitted via email.)

Fill in the fields below, sign and date the form electronically. Next, secure the electronic signature of the graduate program advisor for the new concentration by emailing them the form. The graduate program advisor should submit the form to the registrar@mga.edu for processing.
