

MIDDLE GEORGIA STATE UNIVERSITY
GRADUATE STUDIES
REQUEST FOR CHANGE OF PROGRAM

The first step in changing programs is to meet with the graduate program advisor/coordinator in the desired discipline in order to determine the appropriateness of the program and your eligibility for the program of study. Please note:

- Completing a Change of Program form does not guarantee acceptance into the desired program of study.
• Changing programs could delay graduation.
• Changing programs could affect your financial aid award.
• Students changing programs may be asked to submit additional documents related to admission of the desired program.
• This form is not used for adding/changing a concentration in an existing program of study.
• If students are not completing registered classes due to this desired program change, they should submit the add/drop/withdrawal form.

Directions:

Fill in the fields below. Next, secure the signature of the Program Advisor/Coordinator for the desired program. The Program Advisor/Coordinator should send the form along with a program acceptance letter to registrar@mga.edu. \*\*If printing the form, be sure the Current Program and Desired Program section are completed electronically prior to printing. All signature fields can be signed electronically by PDF electronic signature.\*\*
