Middle Georgia State University offers master’s, bachelor’s, some associate’s degrees and certificates. These degrees help students develop skill sets that prepare them for today’s professional workforce. Our master's degree programs are listed at mga.edu/graduate-studies.

**Our mission**
We transform individuals and their communities through extraordinary higher learning.

**Our values**
STEWARDSHIP • ENGAGEMENT • ADAPTABILITY • LEARNING

**Middle Georgia State University offers master’s, bachelor’s, some associate’s degrees and certificates.**

**Our popular majors/concentrations are:** Aviation, Biology, Business, Criminal Justice, Education, English, Information Technology, New Media, Nursing, Psychology, Respiratory Therapy

**2,000+ students have participated in Experiential Learning since 2015.**

Experiential Learning bridges the gap between classroom and career through internships with local organizations, innovative research opportunities, and impactful service in the community.

**Dual Enrollment and the Georgia Academy of Arts, Mathematics, Engineering & Sciences.**

Our Dual Enrollment program allows high school students to take college courses for credit during fall, spring, and/or summer semesters. The Georgia Academy is a 2-year residential program for high-achieving high school students.
Middle Georgia State University had an economic impact of approximately **$250 million** in Georgia – a 9 percent increase over the previous year, according to a report released by the University System of Georgia. (FY16)

The region studied to determine our economic impact included the counties in which the University’s campuses are located – Bibb, Bleckley, Dodge, Houston and Laurens – as well as Jones, Monroe, Peach, Crawford, Twiggs, Baldwin, Wilkinson and Pulaski.

The University has the largest service area of any non-Atlanta-based institution in the state system, with five campuses spanning an area of more than **725 square miles**.

### Middle Georgia State’s Aviation School:
- offers industry-serving programs, including professional flight, logistics, airport management, aviation maintenance technology, air traffic management and aircraft structural technology.
- has the only programs in flight training and airport management in the University System of Georgia.
- awards a bachelor of science in Aviation Science & Management and a bachelor of applied science in Technical Management, as well as associate degrees and certificates.

In recent expansions, the School of Aviation established satellite locations at the Herbert Smart/Macon Downtown Airport and the Cook County Airport in Adel. Flight instruction is available at the Eastman, Macon and Adel locations.

Middle Georgia State University is among the eight institutions in the nation selected to participate in the [Delta Propel Pilot Career Path Program](https://mga.edu/aviation) designed to identify and mentor the next generation of pilots.
