Middle Georgia State University offers master’s, bachelor’s, some associate’s degrees and certificates. These degrees help students develop skill sets that prepare them for today’s professional workforce.

Our most popular majors/concentrations are: Aviation, Biology, Business, Criminal Justice, Education, English, Information Technology, New Media, Nursing, Psychology, Respiratory Therapy

4,000+ students have participated in Experiential Learning since 2015.

Experiential Learning bridges the gap between classroom and career through internships with local organizations, innovative research opportunities, and impactful service in the community.

Dual Enrollment and the Georgia Academy of Arts, Mathematics, Engineering & Sciences.

Our Dual Enrollment program allows high school students to take college courses for credit during fall, spring, and/or summer semesters. The Georgia Academy is a 2-year residential program for high-achieving high school students.

Our Mission

We transform individuals and their communities through extraordinary higher learning.

mga.edu
Middle Georgia State’s Aviation School:
- offers industry-serving programs, including professional flight, aviation management, aviation maintenance technology, air traffic management and aircraft structural technology.
- has the only programs in flight training and aviation management in the University System of Georgia.
- awards a bachelor of science in Aviation Science & Management and a bachelor of applied science in Technical Management, as well as associate degrees and certificates.
- awards academic credit for certain FAA licenses

The School of Aviation offers flight instruction at the Eastman and Macon locations.

Middle Georgia State is a partner university selected to participate in the Delta Propel Pilot Career Path Program designed to identify and mentor the next generation of pilots. mga.edu/aviation
