1. The joint program will be open to Southern Crescent Technical College graduates with a CIST degree in Computer Programming, Database Specialist, Internet Specialist, or Networking Specialist and only for candidates entering the online or face-to-face Bachelor of Science degree in Information Technology major at Middle Georgia State College.

2. Effective January 1, 2015, Middle Georgia State College will accept the general education courses for transfer as detailed in the articulation agreement between the University System of Georgia and Southern Crescent Technical College. Courses will only be accepted from institutions accredited by the Commission on Colleges of the Southern Association of Colleges and Schools.

3. All Southern Crescent Technical College courses transferred to Area F OR to major requirements toward the Bachelor of Science degree in Information Technology will be taught by qualified faculty with a minimum of a Masters’ degree and 18 graduate hours in the field.

4. Only Southern Crescent Technical College courses with a grade of “C” or higher will be transferred to Area F or to major requirements toward the Bachelor of Science degree in Information Technology.

5. Qualified Southern Crescent Technical College graduates will be required to fulfill all of the School of Information Technology’s Area F requirements (18 semester hours), the School’s ITEC upper level core requirements (30 semester hours), and 30 semester hours of upper level ITEC electives.

6. The following Southern Crescent Technical College courses may be credited to Middle Georgia State College’s School of Information Technology’s Area F requirements. This list may be amended by written agreement of the Deans of the schools at each college.

7. Elective courses: Up to 15 additional credit hours in the approved degree may be applied toward graduation if MGSC course equivalencies are established. Students interested in receiving these credits are responsible for initiating the process with their advisor upon admission to the BSIT program. Analysis of course equivalencies will be conducted by faculty members of the MGSC School of Information Technology. For each Computer Information Systems approved degree course being analyzed for MGSC course equivalency, students must provide 1) the course catalog description and 2) the course syllabus that includes learning outcomes for each course.

8. MGSC candidates for degrees must complete a minimum of 120 semester hours of academic work with a grade point of 2.0 or better calculated on all work attempted at MGSC. The academic work must include at least 21 semester hours of upper division courses in the major field and at least 39 semester hours of upper division work overall.

9. Of the 40 semester hours immediately preceding graduation, at least 30 must be taken in residence at MGSC. Any student admitted to MGSC for the final year must be in residence for two semesters and must complete at least 30 semester hours in residence, including 21 hours of upper division work in the major.

10. All University System of Georgia and Middle Georgia State College requirements for graduation must be satisfied.

11. This agreement is effective for students, who graduate with a degree from a Southern Crescent Technical College institution beginning January 2015.
Middle Georgia State College and Southern Crescent Technical College agree as follows:

1. Purpose: The two institutions are entering into a Course Articulation Agreement to assist and promote transferability in the computer programs between the two institutions.

2. Term: Terms of this Agreement will be effective January 1, 2015. Either party may terminate this Agreement upon giving written notice to the other party. Such notice must be given one full semester prior to the agreement being canceled.

3. Conditions: The attachment lists the courses in the Computer Information Systems (CIST) approved degree programs (Computer Programming, Internet Specialist, Database Specialist, and Network Specialist) that will transfer from Southern Crescent Technical College to Middle Georgia State College. This Agreement insures the acceptance of the courses as listed in the attachments by Middle Georgia State College.
