

# Summer Scholars Program

## Dual Enrollment / Commuter

Middle Georgia  
State University

The Summer Scholars Program enables new, academically motivated High School students to get a jumpstart on their college career in an immersive academic environment. Students earn six hours of core curriculum credit through four weeks of online summer instruction and a month-long, high-impact academic experience on the Macon Campus or Cochran Campus, culminating in an optional service-learning trip to Savannah, Georgia.

Access to online content available **May 30**; on-campus instruction will run **June 25 to July 28**.

### About the Summer Scholars Program

The 2018 theme is entitled **Exploring the Georgia Surreal**. Through coursework and activities, students will examine why Georgia artists often infuse their work with the **mythic, mystic** or **mysterious** and how **history** has affected the landscape, the people and the culture.

### Benefits of the Summer Scholars Program

- Earn college credit with an elite group of engaged and motivated student scholars
- Take honors college courses
- On-the-road learning, with weekly travel across historic Georgia and a service-learning option in Savannah
- For eligible students, tuition, books and mandatory University fees paid by Georgia Student Finance Commission

Students will complete two thematically related core curriculum courses from the list below; additional options may become available.

**ENGL 1101: English Composition I**

**ENGL 1102: English Composition II**

**ENGL 2132: American Literature II**

**ARTS 1100: Art Appreciation**

**SOCI 1101: Introduction to Sociology**

**HIST 2112: U.S. History Since 1865**

### Eligibility and How to Apply

- The Summer Scholars Program is a **highly selective** program with very limited availability. Students must have a minimum high school GPA of 3.5 to be eligible for the program.
- Admission to Middle Georgia State University for Summer Semester is required for participation in the program. (Students accepted for Fall may adjust their initial enrollment semester to Summer.)

To apply: Students should complete and submit the Summer Scholars Program application online by visiting **[mga.edu/academics/summer-scholars](http://mga.edu/academics/summer-scholars)**

For full consideration, students are encouraged to apply by March 30, 2018.
