Additional Information regarding Approvers:

eProcurement (ePRO) Module routes to the Budget Manager, as established in the PeopleSoft Department Table. Changes to Budget Mangers needs to be updated with the Budget Office. If the employee is going to be a non-budget manager approver, the ePRO requestor will need to add the approver into the workflow.

Expense Module routes reports based on an APPROVER Assignment table based on Department number - one approver per department number. Expense Reports can be sent to other approvers, as needed
