Dear Dr. Ingram:

This letter is formal notification of the action taken by the Accreditation Commission for Education in Nursing (ACEN). The ACEN thoroughly reviewed the substantive change report for the master's nursing program at Middle Georgia State University related to the implementation of the Adult/Gerontology Acute Care Nurse Practitioner (AGACNP) post-master's certificate program option, which occurred in May 2021.

Based on this review, and with the authority delegated by the ACEN Board of Commissioners to the ACEN Chief Executive Officer as delineated in ACEN Policy #14 Reporting Substantive Changes, your substantive change has been approved, which is effective as of August 16, 2021. The approved substantive change report and all related documentation will be added to the program's record.

We look forward to continued successes for your nursing program. If you have questions about this action or about ACEN policies and procedures, please contact me.

Sincerely,

Marsal P. Stoll, EdD, MSN
Chief Executive Officer
