Subject: ACOTE Site Visit Decision for Middle Georgia State University (OTA)
Date: Wednesday, April 20, 2022 4:51:32 PM

Dear Ms. McDaniel,

At its meeting on April 2-3, 2022, ACOTE reviewed the Report of On-Site Evaluation (ROSE) regarding the Occupational Therapy Assistant Program at Middle Georgia State University, Cochran, Georgia. All Standards were found to be compliant and ACOTE voted to Grant a Status of Accreditation for a period of 10 years. The Report of the Accreditation Council (RAC) is viewable at <https://acote.aota.org//programs/2154/report>.

The program's Interim Report will be due in April 2026 and the next on-site evaluation will be scheduled within academic year 2031/2032.

Additional Comment:

- Any institution or program that elects to make a public disclosure of the results of an ACOTE accreditation visit must accurately disclose:
- Statements from the final report, the Report of the Accreditation Council - not the Evaluators' Report of On Site Evaluation
- Complete information regarding ACOTE's findings (i.e., strengths, suggestions, areas of noncompliance, and ACOTE's final accreditation action). Strengths cited in the report may not be published without also publishing any cited suggestions or areas of noncompliance.

Refer to [ACOTE Policy VLE. - Sample Statements Regarding Accreditation Status and Use of the ACOTE Logo](#) for suggested wording for publishing the status of the program.

Please feel free to contact Accreditation staff (accred@aota.org) should you have any questions.
