What do you want your SEVIS release date to be from Middle Georgia State University? (Typically this would be the last day of your current semester at MGA):

Reason for Transfer:

Please attach the following documents to this form:

- Transfer Verification Form from your new school
Acceptance Letter from your new school

Additional Important Information:

- If you are employed on campus, you must end employment the day before the release date that you choose on this form.
If you are planning on traveling abroad, remember that you can only come back to the U.S. with the I-20 from the college that holds your SEVIS record. If your release date occurs while you are outside the U.S., the new school will have to mail your new I-20 to you before you can come back to the U.S.
