THE MGA PATHWAY TO CAREER READINESS
A four-year career plan for all MGA students

STEP 1
Activate Handshake Job & Internship Database.
Complete a career assessment and discuss career options with a career advisor.

STEP 2
Transition your resume from high school to college.
Develop a career plan for internships, jobs, and/or graduate school.

STEP 3
Develop career competencies through Student Leadership Programs and campus involvement.
Create a LinkedIn profile and update your Handshake profile.
Start building your professional wardrobe.

STEP 4
Attend career fairs to learn about careers and connect with internship opportunities.
Prepare for internship interviews through mock interviews with a career advisor or employer volunteer.

STEP 5
Apply to internships through Handshake, LinkedIn, academic department, career fairs, etc.
Complete an internship to get experience in your desired field.

STEP 6
Use all of your resources, including the Office of Career Development, to apply for jobs and graduate school 6 - 9 months prior to graduation.
Land a job or solidify graduate school plans before graduation.
