MORE RECRUITMENT AND OUTREACH OPPORTUNITIES

Knights@Work Internship Program

Employers with internship opportunities can become a Knights@Work Partner. These partners provide non-academic credit internships to MGA students. Learn more at mga.edu/knightsatwork.

Virtual Internship Series (September, November, and February)

Share your internship opportunities during a 30-minute session with a small group of interested students.

Student Career Engagement Events

Participate in a mock interview, resume review, etiquette dinner, Professional Checkpoint Day (Aviation), and other engagement opportunities.

Campus Visits

We will work with you individually to determine the best strategy for setting up information tables, information sessions, and interview days. We also offer Employer Partner opportunities that provide expanded options.

Student Leadership Conference Networking Luncheon

Sponsor the Student Leadership Conference in order to network with and present to 150+ high-performing student leaders from a variety of majors and backgrounds.

Employer Partner Program

Expand your brand recognition while supporting career and leadership development programs.
