

MGA

Academic Program - Course Schedule and Learning Outcomes

<i>Campus:</i> Cochran	<i>College/School:</i> Behavioral Sciences	<i>Education and Department:</i> Political Science
<i>Academic Degree:</i> B.S.	<i>Major:</i> Political Science	<i>Track (if applicable):</i> Applied Politics

What are the Program Learning Outcomes?

A learning outcome is a description of the knowledge, skills and abilities you will gain as you complete your coursework.

- 1. Describe and identify the theoretical underpinnings of the study of politics and government.**

- 2. Describe and identify the formal and informal institutions and processes of, and political behavior within, the political system of the United States and those of other countries.**

- 3. Describe and identify the key features of the international system, including interactions between countries, and the differences between how various countries are governed around the world.**

- 4. Identify and use appropriate methodologies for collecting, analyzing, and presenting data and evidence in written, oral, and graphical form, within the context of political science.**
