Campus: *Online* *College/School:* *Arts and Sciences* *Department:* *History & Political Sci.*

Academic Degree: *A.S.* *Major:* *Political Science* *Track (if applicable):*

What are the Program Learning Outcomes?

A learning outcome is a description of the knowledge, skills and abilities you will gain as you complete your coursework.

1. **Students will identify and explain the key features of major U.S. political institutions (Congress, the presidency, and the judiciary) of the U.S. national government.**
2. **Students will identify and explain the processes linking citizens and the U.S. national government (elections, parties, and interest groups).**
3. **Students will identify the key features of the international system and approaches to studying international politics, and the differences between how various countries are governed around the world.**
4. **Students will identify contemporary issues in domestic politics and their impact on national, state, and local governments.**
