MGA

Academic Program - Course Schedule and Learning Outcomes

Campus: Macon/Cochran
College/School: Middle Georgia State University
Department: Teacher Education and Social Work

Academic Degree: Bachelor
Major: Public Service

What are the Program Learning Outcomes?

A learning outcome is a description of the knowledge, skills and abilities you will gain as you complete your coursework.

1. Students will describe public service agency structure and operation and recognize appropriate responses to human service delivery.

2. Students will identify and apply social science research methods in public service.

3. Students will report and apply techniques of program funding and evaluation.

4. Students will describe how principles of management are applied to the operation of public service agencies.

5. Students will produce a project that contributes positively to the programmatic and/or operational function of an agency.
