Provide a description of the program exactly as it will appear in the catalog:

Requirements for MSIT generalist path:

Students may also pursue a generalist path by taking 15 hours of advisor approved ITEC graduate courses.
Requirements for MSIT generalist path:

Students may also pursue a generalist path by choosing 15 hours from any of the concentrations.

Requirements for MSIT generalist path:

Students may also pursue a generalist path by taking 15 hours of advisor approved ITEC graduate courses.
Provide a brief rationale for this program modification. For example, does it reflect updated disciplinary content? Does it align the program with state or national norms? Does it promote progression?

The modification provides more flexibility by allowing MSIT students who pursue a generalist path to choose graduate level ITEC courses offered outside of existing MSIT concentrations.
