

2021-2022 HELICOPTER – Flight Lab Cost of Attendance Request Form

Please complete all sections of this form to request the Office of Financial Aid to increase your Cost of Attendance (COA) due to additional costs associated with flight labs. NOTE: If this request is for an increase to finish an incomplete flight course in a previous term, your increase will be subject to the number of hours and costs remaining for the course as notated by the Chief Flight Instructor. Repeat courses are subject to further review before approved.

Student Name _____ 983 _____
MGA Student ID#

Choose the term for which you are requesting the COA increase:

- checkbox Fall 2021 checkbox Spring 2022 checkbox Summer 2022

Choose the course(s) you plan to enroll in for the semester chosen above while enrolled in Professional Flight Management Degree (AAS or BS), Flight Technology Certificate for Helicopter.* Incomplete or incorrect forms will be automatically rejected by the Office of Financial Aid.

Table with 3 columns: Course, Amount, ORIGINAL Term of Enrollment (Must be initialed by Flight Instructor). Rows include AVIA 3081-4008, Written Exam, and Examiner Fee.

Student Signature: I understand that I must contact the Office of Financial Aid if I do not enroll in one of the classes listed above and that my financial aid may be held until my COA can be adjusted and financial aid eligibility can be determined. Also, I understand that I must notify the Financial Aid Office if I want a loan processed in unequal amounts for Fall and Spring. *Please note that FAA written exams and FAA examiner rides are not included in the pricing above.

Student Signature: _____ Date: _____

Chief Flight Instructor: If this is for additional time to complete a course, please include how many hours are needed and the cost per hour, then sign below. _____ hours remaining, at \$ _____ per hour.
