

**INSTRUCTIONS FOR MIDDLE GEORGIA STATE UNIVERSITY(MGA)
STUDENTS TO RECEIVE FINANCIAL AID WHILE ATTENDING
OTHER UNIVERSITY SYSTEM OF GEORGIA (USG) POST-
SECONDARY INSTITUTIONS (complete list of USG institutions can be
found at <http://www.usg.edu/inst>).**

In most instances, students can use their financial aid funds to attend other USG institutions as transient students. If you wish to do this, please read and complete the following and return this information to the Office of Financial Aid. Please be advised that your award may be adjusted due to the host institution's cost of attendance and/or type of course work for which you are enrolling.

1. Attach a copy of the completed Transient/Letter of Good Standing (available in the Registrar's Office) to this form. The classes you are taking must transfer to your degree here at MGA and the course equivalent must be indicated.
2. Once this is received and approved by the Office of Financial Aid, the consortium agreement and/or HOPE Transient Certificate will be sent to the host institution. The host institution must return the completed consortium agreement to the MGA Office of Financial Aid certifying your enrollment before any funds can be disbursed. You are responsible for making payment to the host institution. NOTE: Students taking Independent Study courses through the University System of Georgia must pay tuition when registering and have your excess check sent directly to you. You must provide a receipt of payment to the Office of Financial Aid at MGA.
3. You must ensure that an official academic transcript is sent to MGA from the visited school. Your transcript must be received and posted before any further financial aid funds can be paid. There are no exceptions for the University System of Georgia Independent Study courses. If you withdraw from your courses at the host institution you must submit a letter from the Registrar's Office stating the last date of attendance.
