

Dear Fellow Educator,

Your school/system has one or more students at Middle Georgia State University in the GA Academy. To enable these students to participate in the state mandated testing program without incurring absences, I administer the Georgia Milestones EOC and PSAT to them.

For each test the answer documents/header sheets are coded so that the scores will be sent to their home system/high school. On the EOC header sheet, the teacher/class name will be "GA Academy". Therefore, when electronic rosters are pulled, be sure to pull "GA Academy" so that you will have their scores. For the PSAT, the College Board code for the student's high school is used so the scores are reported back to the home high school. I do not receive or have access to any score reports for these students.

Please pass this information on to your system and school level test coordinators so they will be expecting these scores.

If you have any questions, please feel free to contact me at (478) 934-2821 ext. 1101 or email me at pcorbett@bleckley.k12.ga.us.

Sincerely,

Pansy C. Corbett
