

## Congratulations on being accepted to The Georgia Academy!

Complete the forms listed below and return to the Georgia Academy. Forms may be emailed, faxed or mailed. There is NO need to supply forms electronically and by mail. One method is sufficient.

- Certificate of Immunization Form** - To be completed by physician's office
- MGA Student Consent for Access to Educational Records** - to be completed by you and your parent/guardian  
The best option is to check the first block, *All Records*. List any adult (include parent/guardian) and the name of your high school under 'Persons or Agencies Whom Access to Records May Be Provided.'
- The Georgia Academy Release Form** - to be completed by you and your parent/legal guardian. Please have the form witnessed by someone at least 18 years of age.
- Permission for Medical Treatment** - to be completed by your parent or guardian  
Complete the two page form and include a copy of your insurance card.  
\*\*Be sure to notify our office of any changes to medicine, insurance, or other pertinent information.\*\*
- High School Graduation Check Sheet** - complete the first section and take to your counselor for completion
- MGA Counseling Service Informed Consent** - This form is not mandatory for admission, but in order for your child to be counseled this form must be on file in the counseling office. The Counseling Center supports the mission of the University and the retention, progression, and graduation of a diverse student body by providing personal, academic, and career counseling services to assist students in the attainment of their personal goals.
