Name of your Board of Education _____

In this document, I have listed all courses necessary for this student to graduate from high school in 201____.

This student plans to enroll in the Academy Fall semester 20____ Spring semester 20____

Counselor signature: _____ Date: _____

Dear Counselor:

This student has been accepted into the Georgia Academy of Arts, Mathematics, Engineering, and Sciences at Middle Georgia State University (MGA). The academy is a two-year dual-enrollment program that allows a student to complete his/her high school diploma *and* earn an associate degree simultaneously. The top priority is to make sure that the student graduates from high school. We need your help in making sure that this student takes the appropriate courses here at MGA to ensure graduation from high school. The student's numerical grades will be mailed to you at the end of each semester.

Please review this student's records and determine which courses in English, math, science, social science, foreign language, health and physical education are needed to complete the requirements for high school graduation

Should you have any questions about our curriculum, this form, or the program in general, please contact the staff of the GA Academy via email at GeorgiaAcademy@mga.edu or by phone at (478) 934-3471.

Thank you for your time and careful effort in completing this form.

TESTING

The PSAT and EOCT will be administered to ACADEMY students by the Bleckley County Testing Coordinator. The student's test will be coded to ensure that scores are returned to the student's high school, therefore when you pull your electronic score reports, please be sure to pull the "GAMES" roster as well.

This student is enrolled in a private school. These tests are not required.

What is this student's Georgia Testing Identification Number? _____

What is this student's FTE number? _____

(These numbers are mandatory to ensure your system receives the student's test scores.)

This student must take the following State required tests to meet high school graduation requirements.

- American Literature Milestone
- Economics Milestone
- U.S. History Milestone
