MESSAGE TO THE GRADUATES

Dr. Christopher Blake
President of Middle Georgia State University

Today - in a normal year – we would join together to celebrate the remarkable accomplishments of the Spring Class of 2020. Needless to say, this has not been a normal year.

Instead of coming together with our graduates and their friends and families, circumstance has dictated that we celebrate instead from a distance. Our graduates are all making an incredible sacrifice for the common good, delaying a day they have looked forward to for so long in order to help keep themselves, their families, and our community safer.

Our physical absence, however, does not diminish in the least the achievements attained by our newest graduating class. Today, Knights throughout Georgia, our region, and our world are earning the degrees and credentials for which they have worked so hard over the past years.

While all of our graduates are special, the Spring Class of 2020 will always stand out as the class that encountered an unprecedented challenge – and kept on going.

The persistence and dedication you have demonstrated throughout your college career, coupled with the resilience and adaptability you have shown in the past several weeks, has marked you as an exceptional learner and will stand you in good stead as you make your way into your professional career.

As you continue pursuing your goals, I invite you to remain committed to the values we defined together – Stewardship, Engagement, Adaptability, and Learning. Our four values have been tested and proven strong at this unique and difficult time. You have stewarded your resources, engaged in new ways with your faculty and friends, adapted to very challenging circumstances, and learned in new ways. These values not only shaped your experience at MGA but as Knights you have learned to use them in ways that will equip you in years to come with ways of living and being, even during hard times.

To the congratulations that you have and will continue to receive over the coming weeks, I would like to add my own, as well as my thanks to you for your patience and good grace as you have faced incredible challenges and intense disappointment over the changes to this year’s graduation celebrations. For those of you who wish to take part in the traditional live graduation ceremony, please know that we are still finalizing the plans for a future event and will keep you posted as those plans take shape. I look forward to seeing all of you – in person – in a few months’ time.

I take pride and pleasure in announcing that you have completed an incredible journey and are ready to start your next chapter as a new college graduate. You have been prepared well and now will have the opportunity to use your new knowledge, skills, abilities, and global perspective to do something good in the world. To lighten someone’s burden, build and shape humanity, and to make the world a better place.

My sincerest thanks to all of you for choosing Middle Georgia State University. We hope you will remain engaged with us and will embrace the connections you have made here. Remember the words of our Alma Mater: “With boundless possibilities and the lessons of the past, we sons and daughters of MGA, our friendships ever last.”

Christopher Blake
President
Middle Georgia State University

Knights of Truth and Honor
Music and Lyrics by Robert W. Smith (ASCAP)

Through the rolling hills of Georgia
In the heart of the great Peach State,
We build the future, shaping lives.
    The quest is ours to take.
With boundless possibilities
And the lessons of the past,
We sons and daughters of MGA,
    Our friendships ever last.
We Knights of truth and honor
With knowledge as our sword,
We raise our voices loud and clear
    Our heart’s at MGA.
