Respiratory Therapy Application Checklist
for the Bachelor of Science Completion/Bridge Program
(For Registered Respiratory Therapists Only)

☐ Apply to Middle Georgia State University and have all transcripts sent to registrar (if you attended any other institution during your academic career). https://www.mga.edu/admissions/index.php

☐ Once accepted at MGA with an ID number, apply to the Respiratory Therapy Program through the website. https://www.mga.edu/health-natural-sciences/application/application.php Choose Bachelor of Science Respiratory Therapy Completion (Bridge Program)

☐ Call the Department of Respiratory Therapy to schedule an appointment for advisement with Teri Miller- 478-471-2783. (Or email teri.miller@mga.edu). The following will occur during your advising appointment:

  • Review of eligibility for acceptance
    o Applicants must have graduated from a regionally accredited and CoARC accredited Respiratory Therapy Program (or have an articulation in place)
    o Applicants must meet the minimum GPA requirement
    o Applicants must be an RRT which is verified through the NBRC (National Board for Respiratory Care) website
  • Review of transcripts with advisement toward any additional core needed (applicants may be accepted and begin RT coursework prior to other core completion).
  • Review of any needed petitions for coursework acceptance
  • If the applicant is accepted, the following will also be completed:
    o Completion of Change of Major form (if needed)
    o Registration for initial courses

Applications are Accepted Year Round for this Program of Study and Those Accepted May Begin Any Semester
