

Respiratory Therapy Application Checklist Bachelor of Science Entry Program

You have chosen an excellent career path! Use the checklist below to assist you in the application process. Visit our website for more information. Thank you!

<https://www.mga.edu/health-natural-sciences/respiratory-therapy/index.php#>

- Apply to Middle Georgia State University and have all transcripts sent to registrar (if currently attending another college/university). <https://www.mga.edu/admissions/index.php>
- Once accepted at MGA, apply to the Respiratory Therapy Program through the website. Choose Bachelor of Science Entry-Level Program <https://www.mga.edu/health-natural-sciences/respiratory-therapy/respiratory-therapy-program/application.php?name=respiratory>
Choose Bachelor of Science Entry Program
 - The Bachelor of Science Completion Program is only for those who are ALREADY a Respiratory Therapist and wish to complete their BS degree.
- Schedule an appointment with Ms. Allison Carr, Academic Advisor for advisement at allison.carr@mga.edu or call 478-757-2579
- Sign up to take the Respiratory Entrance Exam (REE) with the Testing Center. <https://www.mga.edu/testing-services/tests/respiratory-entrance-exam.php>
***Be sure to practice beforehand using the sample resource on the website!
- Take and successfully complete the REE.
- Follow instructions for completing three (3) faculty reference forms. One should be from a science course instructor. https://www.mga.edu/health-natural-sciences/respiratory-therapy/docs/Respiratory_Therapy_Academic_Reference_Form.pdf
 - Reference one: _____
 - Reference two: _____
 - Reference three: _____
- Regularly check MGA email for correspondence from the program regarding your application. Contact Ms. Brice at 478-471-2783 if you have questions. **Letters of Acceptance will be sent after May 15.**
