| During this assessment cycle, what percent of the students who participated in this assessment demonstrated mastery of this learning outcome? (this should be a number between 0-100) | 0 |

Sampling

| | |
|--|----|
| How many students participated in the assessment of these learning outcomes, in this program, for this assessment cycle at this location? | 16 |
|--|----|

Evidence of changes based on an analysis of results

| | |
|--|--|
| What changes were implemented based on an analysis of the students' performance on these Student Learning Outcomes? (Evidence of the improvement must be kept and filed in the department or academic unit including but not limited to: changes in exam questions, reading assignments, syllabi, course instruction materials or assignments. Both old versions and new versions should be kept on file for 10 years.) | Students did not perform as well on the performance indicator related to applying correct APA style citations. The recommendation from the faculty was to add more APA related resources to the course, including links to the Purdue University Online Writing Lab (OWL), and more faculty videos covering APA. |
