SLO 1

SLO 1: What is the first Student Learning Outcome for this academic program? Student Learning Outcomes should be stated in measurable terms (i.e. students will be able to.....)	The SLO statement for CRJU 1100 is that students will recognize aspects of the formal criminal justice process.
SLO 1: What instrument (assessment type) was used to measure student's ability to demonstrate mastery of this learning outcome? (i.e. exam, assignment with rubric, speech, demonstration of ability, lab assignment)	5 multiple choice exam questions were used to assess the SLO. All students in sections of Online CRJU 1100 (multiple sections) in Spring 2020 were assessed on the measure.
SLO 1: What target performance level would a student need to achieve on the assessment instrument to demonstrate mastery of this learning outcome? (i.e. 80% of all students will earn an average grade of 75% or better on....)	70% of all students taking CRJU 1100- Intro. to Criminal Justice will earn 70% or better on the assessment measure.
SLO 1: During this assessment cycle, what percent of the students who participated in this assessment demonstrated mastery of this learning outcome? (this should be a number between 0-100)	84
SLO 1: Evidence of changes based on an analysis of the results: What changes were implemented, if applicable, based on an analysis of the students' performance on this Student Learning Outcome? (Evidence of the improvement must be kept and filed in the department or academic unit including but not limited to: changes in exam questions, reading assignments, syllabi, course instruction materials or assignments. Both old versions and new versions should be kept on file for 10 years. Major changes to curriculum must go through the Academic Affairs process.)	The SLO statement and assessment measure was reviewed and revised by the criminal justice faculty in Fall 2019-Spring 2020- in order to ensure a good/better "match" between the SLO statement and the content of the assessment measure. The percentage of students who passed (70% or better) the assessment was higher in Spring 2020 (84%) compared to the previous/similar measure in Spring 2019 (74%).
