

Bachelors Degree in Nursing, Online

Semester reporting: Fall Semester 2020

Reporting cycle: Semester Reporting Cycle

Academic Program Assessment by Location Report Information

Prepared on: 7/7/2021 12:33:21 PM	Prepared by: kendra.russell@mga.edu
	Email address of person responsible for this report: kendra.russell@mga.edu
In which school is this program located?	Health and Natural Sciences
Program Type:	Undergraduate
Approximately how many students are enrolled in this program at this location?	37

Student Learning Outcomes

SLO1

7. SLO 1: What is the first Student Learning Outcome for this academic program? Student Learning Outcomes should be stated in measurable terms (i.e. students will be able to.....)	Synthesize nursing that is patient-centered, caring, and culturally sensitive and based on the physiological, psychological, and spiritual needs of patients.
8. SLO 1: What instrument (assessment type) was used to measure student's ability to demonstrate mastery of this learning outcome? (i.e. exam, assignment with rubric, speech, demonstration of ability, lab assignment)	NURS 3210: Physical Assessment & Health Examination Final Evaluation Case Study 1st Semester
9. SLO 1: What target performance level would a student need to achieve on the assessment instrument to demonstrate mastery of this learning outcome? (i.e. 80% of all students will earn an average grade of 75% or better on....)	90% of students will score an 80% or better on the NURS 3210 Final Exam Case Study.
10. SLO 1: During this assessment cycle, what percent of the students who participated in this assessment demonstrated mastery of this learning outcome? (this should be a number between 0-100)	70
11. SLO 1: Evidence of changes based on an analysis of the results: What changes were implemented based on an analysis of the students' performance on this Student Learning Outcome?	Goal Not Met. Rubrics will be updated to provide clarity and More in-depth instructions. Information will be provided about the grading rubric earlier in the semester to address questions.

Student Learning Outcomes

SLO2

12. SLO 2: What is the second Student Learning Outcome for this academic program? Student Learning Outcomes should be stated in measurable terms (i.e. students will be able to.....)	Interpret best current evidence, expert opinion, and clinical expertise as a basis for nursing practice and clinical judgement.
13. SLO 2: What instrument (assessment type) was used to measure student's ability to demonstrate mastery of this learning outcome? (i.e. exam, assignment with rubric, speech, demonstration of ability, lab assignment)	NURS 4300: EBP Capstone Course Literature Review Assignments 4th semester
14. SLO 2: What target performance level would a student need to achieve on the assessment instrument to demonstrate mastery of this learning outcome? (i.e. 80% of all students will earn an average grade of 75% or better on.....).	90% of students will score an overall satisfactory grade (S) on the NURS 4300 weekly clinical journals.
15. SLO 2: During this assessment cycle, what percent of the students who participated in this assessment demonstrated mastery of this learning outcome? (this should be a number between 0-100)	100
16. SLO 2: Evidence of changes based on an analysis of the results: What changes were implemented based on an analysis of the students' performance on this Student Learning Outcome?	Goals met for 2019. Students continue to excel on the Literature Review assignments. No modifications needed at this time; precise rubrics and templates for the literature review assignments will continue to be utilized.

Student Learning Outcomes

SLO3

17. SLO 3: What is the third Student Learning Outcome for this academic program? Student Learning Outcomes should be stated in measurable terms (i.e. students will be able to.....)	Provide a safe environment for patients, self, and others.
18. SLO 3: What instrument (assessment type) was used to measure student's ability to demonstrate mastery of this learning outcome? (i.e. exam, assignment with rubric, speech, demonstration of ability, lab assignment)	NURS 4100: Nursing Care of Special Populations Gerontologic Assessment Assignment 2nd Semester
19. SLO 3: What target performance level would a student need to achieve on the assessment instrument to demonstrate mastery of this learning outcome? (i.e. 80% of all students will earn an average grade of 75% or better on.....).	90% of students will obtain a grade of 80% or better on the Gerontologic Assessment Assignment.
20. SLO 3: During this assessment cycle, what percent of the students who participated in this assessment demonstrated mastery of this learning outcome? (this should be a number between 0-100)	100
21. SLO 3: Evidence of changes based on an analysis of the results: What changes were implemented based on an analysis of the students' performance on this Student Learning Outcome?	Goal met and no additional actions were taken at this time.

Student Learning Outcomes

SLO4

22. SLO 4: What is the fourth Student Learning Outcome for this academic program? Student Learning Outcomes should be stated in measurable terms (i.e. students will be able to.....)	Practice nursing in a professional, ethical, and legal manner.
23. SLO 4: What instrument (assessment type) was used to measure student's ability to demonstrate mastery of this learning outcome? (i.e. exam, assignment with rubric, speech, demonstration of ability, lab assignment)	NURS 3100: Transition to Baccalaureate Nursing Practice Professional Reflective Paper 1st semester
24. SLO 4: What target performance level would a student need to achieve on the assessment instrument to demonstrate mastery of this learning outcome? (i.e. 80% of all students will earn an average grade of 75% or better on.....)	90% of students will score an 80% or better on the NURS 3100 Professional Reflective Paper.
25. SLO 4: During this assessment cycle, what percent of the students who participated in this assessment demonstrated mastery of this learning outcome? (this should be a number between 0-100)	100
26. SLO 4: Evidence of changes based on an analysis of the results: What changes were implemented based on an analysis of the students' performance on this Student Learning Outcome?	Goal met for 2019 and Spring 2020. Students do well with this paper, as it allows them to discuss their personal clinical experiences as nurses and connect those experiences to professional organizations and expectations. No additional action needed at this time.

Sampling

27. How many students participated in the assessment of these learning outcomes, in this program, for this assessment cycle at this location?	20
