

Master of Science in Nursing, Online

Semester reporting: Spring Semester 2021

Reporting cycle: Semester Reporting Cycle

Academic Program Assessment by Location Report Information

Prepared on: 7/7/2021 1:04:45 PM	Prepared by: kendra.russell@mga.edu
	Email address of person responsible for this report: kendra.russell@mga.edu
In which school is this program located?	Health and Natural Sciences
Program Type:	Graduate
Approximately how many students are enrolled in this program at this location?	47

Student Learning Outcomes

SLO1

7. SLO 1: What is the first Student Learning Outcome for this academic program? Student Learning Outcomes should be stated in measurable terms (i.e. students will be able to.....)	Synthesize nursing and related sciences into the delivery of patient- centered advanced professional nursing care to diverse adult populations in various acute care.
8. SLO 1: What instrument (assessment type) was used to measure student's ability to demonstrate mastery of this learning outcome? (i.e. exam, assignment with rubric, speech, demonstration of ability, lab assignment)	NURS 6500 5th semester History and Physical/ Discharge summary Assessed Grading Rubric
9. SLO 1: What target performance level would a student need to achieve on the assessment instrument to demonstrate mastery of this learning outcome? (i.e. 80% of all students will earn an average grade of 75% or better on....)	90% of students a total grade of 85% or better on the History and Physical/ Discharge summary assignment.
10. SLO 1: During this assessment cycle, what percent of the students who participated in this assessment demonstrated mastery of this learning outcome? (this should be a number between 0-100)	100
11. SLO 1: Evidence of changes based on an analysis of the results: What changes were implemented based on an analysis of the students' performance on this Student Learning Outcome?	Goal met and there were no changes implemented at this time. Program will continue to monitor.

Student Learning Outcomes

SLO2

12. SLO 2: What is the second Student Learning Outcome for this academic program? Student Learning Outcomes should be stated in measurable terms (i.e. students will be able to.....)	Model a commitment to the professional, ethical, and legal aspects of the adult- Gerontology acute care Nurse Practitioner role.
13. SLO 2: What instrument (assessment type) was used to measure student's ability to demonstrate mastery of this learning outcome? (i.e. exam, assignment with rubric, speech, demonstration of ability, lab assignment)	NURS 6500 5th Semester Case Presentation Grading Rubric
14. SLO 2: What target performance level would a student need to achieve on the assessment instrument to demonstrate mastery of this learning outcome? (i.e. 80% of all students will earn an average grade of 75% or better on.....).	At least 90% of students will earn a total grade of 85% or better on the Case presentation
15. SLO 2: During this assessment cycle, what percent of the students who participated in this assessment demonstrated mastery of this learning outcome? (this should be a number between 0-100)	100
16. SLO 2: Evidence of changes based on an analysis of the results: What changes were implemented based on an analysis of the students' performance on this Student Learning Outcome?	Students continue to meet target ELAs. Consideration for increasing grade percentage needed.

Student Learning Outcomes

SLO3

17. SLO 3: What is the third Student Learning Outcome for this academic program? Student Learning Outcomes should be stated in measurable terms (i.e. students will be able to.....)	Communicate effectively and appropriately to build therapeutic relationships with diverse individuals and families who face acute or chronic complex physical and psychological conditions.
18. SLO 3: What instrument (assessment type) was used to measure student's ability to demonstrate mastery of this learning outcome? (i.e. exam, assignment with rubric, speech, demonstration of ability, lab assignment)	NURS 6500 5th semester Clinical Evaluation Tool
19. SLO 3: What target performance level would a student need to achieve on the assessment instrument to demonstrate mastery of this learning outcome? (i.e. 80% of all students will earn an average grade of 75% or better on.....).	At least 90% of students will earn a rating of at least "Satisfactory" on the Clinical Evaluation Tool on the items related to communication/therapeutic relationships
20. SLO 3: During this assessment cycle, what percent of the students who participated in this assessment demonstrated mastery of this learning outcome? (this should be a number between 0-100)	100
21. SLO 3: Evidence of changes based on an analysis of the results: What changes were implemented based on an analysis of the students' performance on this Student Learning Outcome?	Students are meeting the ELA's. Action: No action taken at this time.

Student Learning Outcomes

SLO4

22. SLO 4: What is the fourth Student Learning Outcome for this academic program? Student Learning Outcomes should be stated in measurable terms (i.e. students will be able to.....)	Perform competently in the teaching and coaching role in the plan of care for complex acute, critical, and critically ill patients.
23. SLO 4: What instrument (assessment type) was used to measure student's ability to demonstrate mastery of this learning outcome? (i.e. exam, assignment with rubric, speech, demonstration of ability, lab assignment)	NURS 5400 2nd semester Clinical Evaluation Tool
24. SLO 4: What target performance level would a student need to achieve on the assessment instrument to demonstrate mastery of this learning outcome? (i.e. 80% of all students will earn an average grade of 75% or better on.....)	At least 90% of students will earn "Satisfactory" on the Clinical Eval. Tool on the items related to Teaching/ Coaching role
25. SLO 4: During this assessment cycle, what percent of the students who participated in this assessment demonstrated mastery of this learning outcome? (this should be a number between 0-100)	100
26. SLO 4: Evidence of changes based on an analysis of the results: What changes were implemented based on an analysis of the students' performance on this Student Learning Outcome?	Expected level of achievement was met. Agreed to increased the ELA to 90% for 2021 and this is the first measure of this ELA.

Sampling

27. How many students participated in the assessment of these learning outcomes, in this program, for this assessment cycle at this location?	25
---	----

Open Box for Assessment Comments

28. In this field, please document the overall use of assessment results for continuous improvement and Open Text Box For Assessment Comments:	Program data is reviewed by campus and reviewed for trends annually. Information is shared with Nursing Advisory Group for feedback. Target measures and instruments are regularly reviewed for updates as needed.
29. If the COVID-19 pandemic impacted this assessment cycle, please provide specific details below.
