Grouped SLO 2: Detail how your school measured this objective?	MGA Advising Assessment Survey – School Specific SLO Question Set
Grouped SLO 2: What was your target outcome for this objective?	80% of responding students report an average of 4 out of 5 across the question set.
Grouped SLO 2: At what level did the school perform regarding on this objective?	79 students responded to the survey. 94% responded with an average of 4 out of 5 across all process elements.
Grouped SLO 2: Did your School meet this objective?	Yes

<p>Grouped SLO 2: What did your School learn working toward this objective? Based on the results what changes will you make based on this effort next year?</p>	<p>We offer a large number of opportunities for advising and registration. We continue to refine the methods and optimize meeting the needs of students. We've made gains in the initial group of students that register early or on-time, but still have a group of about 30% that wait until the last four weeks before a semester begins.</p>
