Department Mission and Goals

The mission and goals of the department should be consistent over a 5 year period, although some institutional changes may necessitate and prompt a change in mission or goals for specific departments. In this section, you will report the mission statement for your department as well as the long term goals (5 year range) for the department.

6. What is the mission statement for this department/area? Your mission should explain why the department/area exists and who it serves.	Implement and manage Middle Georgia State University's cybersecurity program and services and lead the development and execution of the organization's cybersecurity program.
7. What are the goals for this department? These should be the "big things" the department/area intends to accomplish within 5 years.	Improve the risk assessment process Improve configuration management Improve endpoint protection Improve Cybersecurity Awareness Modernize the wireless network Increase Multifactor Authentication Usage

Objectives

Each year, every department should identify objectives the department hopes to accomplish in the next year. These should align with departmental goals and the MGA strategic plan. In the next section you will be reporting on the objectives you set and whether or not you achieved them in FY21. Later in the document you will report on objectives you hope to accomplish in the coming fiscal year, FY22.

This is the first unit assessment. Not applicable for this cycle, but set goals for next year.

Future Plans

<p>32. Please identify and detail three to four measurable objectives for the next fiscal year. In listing the objectives, please use the format shown in these examples. 1) The Department of X will improve services levels by 5% as measured by our satisfaction survey. 2) The department of X will provide training in ABC for at least 73 MGA faculty and staff.</p>	<p>1) Cybersecurity will implement a new configuration management system (Intune). 2) Cybersecurity will implement a new antivirus software (Microsoft Endpoint Protection). 3) Cybersecurity will reach 80% completion rate for Fall Cybersecurity Awareness Training 4) Cybersecurity will upgrade 55 older wireless access points in Macon (ADM, TEB, CSS and MATH) and Warner Robins (ASB, OAK, THO) to a more modern standard.</p>
