

PHOTO RELEASE FORM

Middle Georgia State University enjoys telling the good stories about that occur on our campuses. We often shoot or allow the media to take photographs/videography of students to positively promote our students and the University. We may use these photos/videos within social media accounts, webpages, news stories and/or in publications/marketing materials. We respect the privacy of our students and guests, so we ask for your acknowledgement that photos may be taken and that we have your permission to use them for these purposes.

Print Name: _____

Signature: _____ **Date:** _____

Street Address: _____

City, State and Zip: _____

Note: Photography/videography of people in public spaces may be used without written consent. Photo/videography in classroom or residence halls requires written consent prior to their use. Photography/videography of minors requires the signature of a parent/guardian.

If you do not wish to be used in photography/videography, please make this known to the photographer. All photography/videography within classrooms or other private area requires written consent.

OPT OUT:

____ **NO**, I do not want to participate in any media or University photography/videography that would result in photos/videos being published, broadcast or posted online.
