ENVIRONMENT

THE GEORGIA ACADEMY IS HOUSED ON MIDDLE GEORGIA STATE UNIVERSITY'S COCHRAN CAMPUS

Because our Georgia Academy students are younger and this may be their first time away from home for an extended period, we have created a secure, well-monitored living environment for them.

Their safety and supervision are priorities, and parents may rest assured that the academy has high standards of conduct.

Students participate in special academic, service and social activities, plus field trips, for Georgia Academy students only. They are also part of Middle Georgia State’s student life and are encouraged to become involved in extracurricular activities.

Application for admittance to The Georgia Academy is by invitation only. If you know of a qualified student, please contact us.
