Find your greatness

Middle Georgia State University

Find your greatness | mga.edu
The 419-acre **Macon Campus** is located just off I-475 about 50 minutes from the southern tip of Atlanta and is convenient to communities in middle Georgia. In addition to academic buildings, the Macon Campus has a student life center, a recreation & wellness center and student housing.

Middle Georgia State’s varsity athletics and Greek life are based on the **Cochran Campus**, which is not far from I-16. Students will find strong academic support including tutoring/mentoring programs, smaller class sizes and a first-year residential experience program.

The **Dublin Campus** extends the reach of the University into Laurens County and surrounding communities. The campus offers the core curriculum and select bachelor’s and associate’s degree programs.

The **Eastman Campus**, home to Georgia’s only public 4-year aviation school, is devoted almost entirely to aviation programs. The campus has a fleet of 20 planes and four helicopters, an airport terminal and an air traffic control tower.

The **Warner Robins Campus**, located a half mile from Robins Air Force Base, offers bachelor’s degree programs in information technology and business, along with several associate’s degree programs including nursing. The campus also houses the University’s new Office of Graduate Studies.
5-Step Admission Process

Step 1: APPLY ONLINE and pay the $30 fee

Step 2: Send official transcripts and test scores to Admissions (additional documentation may be required)

Step 3: Submit Verification of Lawful Presence

Step 4: Submit proof of immunizations

Step 5: Apply early for financial aid! Complete your Free Application for Federal Student Aid (FAFSA)
