MIDDLE GEORGIA STATE UNIVERSITY GRADUATE SCHOOL CHANGE/ADD CONCENTRATION OR SECOND PROGRAM FORM

The first step in adding or changing a concentration or program is to **meet with the graduate program coordinator** in order to determine the appropriateness of the concentration or program and your eligibility for the concentration or program. Please note:

- **Concentrations and programs can only be added or changed if you are accepted into the related Program of Study**
- **Adding/Changing concentrations and programs could delay graduation (Consult graduate program coordinator)**
- **Adding/Changing concentrations and programs could affect your financial aid award (Consult Office of Financial Aid)**

Directions: (This form is designed to be completed electronically and submitted via email.)

Fill in the fields below, sign and date the form electronically. Next, secure the electronic signature of the graduate program coordinator for ***the new concentration or second program*** by emailing them the form. The graduate program advisor should submit the form to the registrar@mga.edu for processing.
