

**MIDDLE GEORGIA STATE UNIVERSITY  
GRADUATE STUDIES  
CHANGE/ADD CONCENTRATION OR  
SECOND PROGRAM FORM**

The first step in adding or changing a concentration or program is to **meet with the graduate program coordinator** in order to determine the appropriateness of the concentration or program and your eligibility for the concentration or program. Please note:

- **Concentrations and programs can only be added or changed if you are accepted into the related Program of Study**
- **Adding/Changing concentrations and programs could delay graduation (Consult graduate program coordinator)**
- **Adding/Changing concentrations and programs could affect your financial aid award (Consult Office of Financial Aid)**

**Directions: (This form is designed to be completed electronically and submitted via email.)**

Fill in the fields below, sign and date the form electronically. Next, secure the electronic signature of the graduate program coordinator for *the new concentration or second program* by emailing them the form. The graduate program advisor should submit the form to the [registrar@mga.edu](mailto:registrar@mga.edu) for processing.
