5. Audio is enabled by default. To disable for a page, click on the speaker icon. Or if you wish, you can turn off sound on your device for the duration of the program.
6. Follow all prompts. **At the end of the course, to receive credit for participation, answer the participation question and use the in-course buttons to exit.**
7. You are done!
8. If you wish, you may print your certificate from the Awards section of the learning management system. Note: Certificates may take up to 10 minutes for the system to prepare.
