

How to File a Report

titleix@mga.edu

478-471-3627

BOR 6.7.2 (A) Institutional Reports

Any individual may make a report, but the institution does not have notice of the report until information is known to a Responsible Employee or the Coordinator. The report may be made directly to the Coordinator in multiple formats to include: writing, email, phone, letter, fax, interview, or other method that provides the basis of the complaint of sexual misconduct. There is no specific information required to constitute a report; however, the report should contain as much information as can be provided.

BeWell@MGA

The University System of Georgia has launched a program to expand mental health resources. With so many changes in the world and factors that can compromise your health and wellness, MGA wants to make sure that students have the support they need.

BeWell@MGA gives students 24/7 access to counselors and mental health resources to help them cope - from minor issues to major concerns.

BeWell Mental Health Support Line

Phone: 833-910-3362

Call the 24/7 Support Line for:

- In-the-moment support for mental health issues
- Connections to next steps
- No-cost telehealth and in-person treatment sessions, provided by a network of licensed clinicians

Other BeWell Services

- The [BeWell Wellness Hub](#), including an [app](#) and online wellness magazine with educational content, self-help tools, and [resource links](#)

Additional BeWell services are offered through the [MGA Counseling Center](#) - call 478-471-2985 or 478-934-3080 or email counseling@mga.edu for:

- Virtual psychiatric clinics to offer assessment and medication management
- A self-directed iCBT (Internet-based Cognitive Behavioral Therapy) program, designed for students
- Personal Student Navigators to assist with referral coordination and support

MGA Campus Police

The Rave Guardian Campus Safety App Transforms Mobile Phones On Campus Into Personal Safety Devices.

Guardian enhances safety on campus through a virtual safety network of friends, family, and campus safety and promotes our "If you see something, say something" policy.

Panic Button: Direct immediate connection to campus safety with GPS location and personal profile information.

Tip Texting: Enables anonymous crime tip reporting and 2-way communication via SMS or mobile app

Personal Guardians: Students can identify friends, roommates, and family as 'Guardians' along with Campus Safety. Students can set a Rave Guardian Timer. During a Timer session Guardians and Campus Safety can check status of student. If the Rave Guardian timer is not deactivated before it expires, campus safety is automatically provided with the user's Rave Guardian

profile to proactively identify and check-in on the individual.

Whenever students, faculty, or staff connect with campus safety from their mobile phone, the Rave Guardian Campus Safety App automatically delivers a complete caller profile – including current location, medical conditions, course schedule, addresses, campus ID photo and other critical data.

How Rave Guardian Campus Safety App Works

Rave Guardian is a Campus Safety Mobile App backed by a hosted, Software-as-a-Service platform.

Rave Guardian profile data is stored privately and securely within Rave's redundant and geographically diverse databases. Guardian profile data is provided by the members of your community through Rave's secure web-portal.

User-provided data can be further augmented by loading data from your school's SIS system. With Rave Guardian, your community is always in control –profiles are shared only when a member of your community calls public safety, or allows a previously set Rave Guardian timer to expire.

Search for the "Rave Guardian" in the [Apple App Store](#) for iPhones or [Google Play Store](#) for Android phones.
